

Research Training Program (Internship)-(ECPT-RTP)

(Please read the information below carefully before proceeding)

Eminent College of Pharmaceutical Technology invites application for Research Training Program (Internship)-(ECPT-RTP) for the session July-November, 2025.

Objectives:

1. To facilitate research activities among students and research scholars.
2. To train the young students/researchers in specific scientific domains.
3. To provide hands-on training on different modern scientific instruments and analysis of experimental out comes thereof.

Eligibility

UG (2nd to 4th year) and PG students of Pharmaceutical Technology (Pharmaceutical Chemistry, Medicinal Chemistry, In-silico drug design, Pharmacology, Pharmaceutical Microbiology and Pharmaceutical Biotechnology) Microbiology, Molecular Biology and Biotechnology disciplines are eligible for this program. The program is also open for students of integrated Master degree courses (4th and 5th year) and Research Scholars.

The Research Internship is available in the following departments:

- ❖ Pharmacology
- ❖ Pharmaceutical Microbiology / Microbiology
- ❖ Molecular Biology
- ❖ Pharmaceutical Biotechnology / Biotechnology
- ❖ Pharmaceutical Chemistry / Medicinal Chemistry/In-silico drug design

Application process

- Candidates can download the forms available at the college website and send the completed forms along with relevant documents at researchprog@ecpt.in.
- Selection will be made on the basis of academic record, aptitude for research, accomplishments and area(s) of research interest.

Please note the following:

- **Candidates selected for RTP/dissertation/research have to pay a non-refundable fee of INR 5000/ per month towards laboratory/chemical/equipment handling cost. Fee may vary in case of extended length or nature of project.**
- **Candidates will be provided a certificate of Research Training Program/Internship upon successful completion of the RTP.**
- The intern will be required to give a seminar in the respective department at the end and submit a report to department head.
- **Accommodation will not be provided by the institute.**
- **Cost towards food and access to other amenities have to be bear by the aspirant.**
- Eminent College of Pharmaceutical Technology or Faculty or staff members involved in the programme will not be responsible for any accident occurring during the summer intern program.

Important Note:

Candidates have to acknowledge the ECPT-RTP in dissertation, and publication mandatorily.

Important Dates:

Application Portal Opens on: 26/05/2025

Last date of Application: 30/06/2025

Programme In-Charge:

Dr. Kaushik Biswas, Professor

Dr. Subhasis Banerjee, Professor
